

Mangamate Waterfall Campsite Update

Kia ora koutou,

We would like to provide an update to the Minginui community regarding the Mangamate Waterfall Campsite.

As we move into the winter season, the campsite will be closed, starting this **Monday 4 May**, consistent with the approach taken over the past two years. The closure rests the whenua during wetter conditions and allows time for important work to be completed.

During this period, we will be carrying out a range of maintenance activities, including:

- Installing and refreshing signage
- Undertaking weed control
- General site maintenance and improvements

We also want to take this opportunity to acknowledge the past summer season as it's been great to see the campsite used, with visitors and whānau enjoying the space. The positive presence of campers and the respectful use of the area has been encouraging, and we appreciate the way whanau continue to support and care for this special place.

We look forward to reopening the campsite again ready for the Labour weekend, **Friday 23 of October**, as we continue to provide a safe and enjoyable environment for all.

Ngā mihi nui,
Te Runanga o Ngāti Whare
